

SIGNIFICANT EVENT NOTICE

This page outlines changes which will affect your SA Ambulance Service Superannuation Scheme account and dealings with Super SA.

Rules relating to the suspension of unit prices

On or after 20 January 2025

Where it is not possible to arrive at appropriate unit prices for a given day, or where the Super SA Board (or its delegate) ("Super SA") determines that there is a significant change in investment markets and the unit prices do not reflect the underlying values of the investment markets, Super SA may suspend unit pricing.

Where unit prices are suspended, all pending transactions will be suspended, and they will not be completed until Super SA determines to lift the suspension. The unit price applied to any suspended transactions will be the first unit price approved immediately after the suspension is lifted.

During the suspension period, Super SA may determine that some urgent transactions will be processed using the last available approved unit price.

Further information about investment switching is outlined in the SA Ambulance Service Superannuation Scheme Product Disclosure Statement available at supersa.sa.gov.au.
